KNOWLEDGE

+ Opening element - I missed this part - Did you help them do some recall or introduction of vocabulary?
* trying / role modeling the activity
+ Hands-on element - variety of modalities utilized - great addition of setting up + moving as well as use of motivation through curiosity
vocab- equal, less, more, prediction, measure, greater
+ Nice wrap up!

PERFORMANCE

+ Reflective questioning "What do you think will happen?" "why do you think that is?" "what would you say is happening?"
? would you add an element for them to record their demonstrated knowledge or new findings?
+ Following through w/ lesson + task when learning loses focus
+ Following the children's lead while maintaining control + focus of lesson.

DISPOSITION

Calm, patience, engaging w/ learners through participation + reflective questioning

OVERALL COMMENTS: Very nice!
Great measurement lesson as an introduction to the materials and equipment. Think about how you will extend this to another opportunity or provide an element of documentation.
Very ~~and~~ good job w/ implementation
